17. Overall assessment of the Institution

The inspection team may record their overall observation on the preparedness of the management with regard to availability of human resources, infrastructural facilities and instructional facilities as prescribed in the NCTE norms for the proper conduct of the teacher-training programme.

B. N. College of Education, Dhoraiya is situated in a remote tribal village of Banka, Bihar. The natural environment of this college is very beautiful and attractive. The college possesses 2.00 acres of land where a new building consisting of more than 1550 sq.mt. has been constructed. The plan of the building has been approved by the competent authority and completion certificate has been furnished. The Principal's room, office room, classrooms, 2 halls, one multipurpose hall and all other rooms are available and well furnished. The stock register and bills have been verified and found correct. The human resources like the Principal, Lecturers, instructors, office assistants, peon have all been appointed as per NCTE norms. We had a discussion with the Managing Committee and observed that they are dedicated and committed people. We, the V.T. members found that there is no deficiency in respect of physical, human and other resources for the establishment of this college. The local people as well as persons involved in the college are deeply interested in the development and opening of this college. They wholeheartedly propose for enhancement of education in their village which already has several schools and also a recognized college. The college proposes to build a hostel also. On the basis of this inspection and physical verification we are sure that there is a need for opening a Training College at Dhoraiya, Banka. We strongly recommend the ERC, NCTE, Bhubaneswar to grant recognition to B.N. College of Education, Dhoraiya, from the coming session that is 2009-2010.
