Sir

This has a reference to this Office Order No. BR-S E-1-96-ERC-6266 dated 22.6.98 regarding grant of recognition to your institution for B.Ed. course of one year duration from the session 1998-99 with intake of 120 students.

After considering your application dated 15.7.98 for increase of intake, the ERC has decided to allow your institution to increase the annual intake from 120 to 240 (two hundred forty) from the session 1999-2000 subject to the condition that the institution continues to fulfil the norms laid down under the regulations and submit Annual Report in this regard to the ERC regularly.

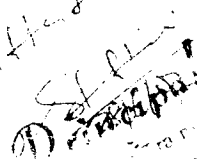

Please note that your request for grant of recognition for B.Ed. course in the evening shift has already been rejected vide this office letter No. BR-S E-12-96-ERC-6265 dated 22.6.98.

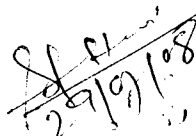

Yours faithfully,
