Sub:- Application for increase in intake capacity.

Sir,

After considering your application dated 9.8.98 for increase of intake, the ERC has decided to allow your institution to increase the annual intake from 120 to 240 (two hundred forty) from the session 1999-2000 subject to the condition that the institution continues to fulfil the norms laid down under the regulations and submit Annual Report in this regard to the ERC regularly.

Yours faithfully,
