Circular No.11/09/18

Subject : Observance of Vigilance Awareness Week, 2018.

1. In pursuit of the vision of the Government of India to make a New India by the year 2022, which is the 75th anniversary of our independence, the Central Vigilance Commission, as the apex integrity institution of the country, endeavours to promote integrity, transparency and accountability in public life.
2. Observance of Vigilance Awareness Week every year is part of the multi-pronged approach of the Commission where a key strategy is to encourage all stakeholders to collectively participate in the prevention of, and the fight against corruption and to raise public awareness regarding the existence, causes and gravity of and the threat posed by corruption. The Commission has decided that this year the Vigilance Awareness Week would be observed from 29th October to 3rd November, 2018 with the theme "**Eradicate Corruption-Build a New India (भ्रष्टाचार मिटाओ- नया भारत बनाओ)**".
3. Corruption can be defined as a dishonest or unethical conduct by a person entrusted with a position of authority, either to obtain benefits to oneself or to some other person. It is a global phenomenon, affecting all strata of society in some way or the other. Corruption undermines political development, democracy, economic development, the environment, people's health and much more. It is, therefore, imperative that the public must be sensitised and motivated towards efforts at weeding out corruption.
4. E-governance, and systemic changes in procedures, minimal discretion, reduced public interface, technology based procurement and automation will go a long way in reducing corruption. The Commission has, therefore, been advising all organizations/departments to identify and implement effective preventive measures to fight corruption and to enhance transparency and accountability in their functioning. All organizations should strive to eradicate corruption in their activities. The Commission has accordingly chosen "**Eradicate Corruption-Build a New India (भ्रष्टाचार मिटाओ- नया भारत बनाओ)**" as the main theme for Vigilance Awareness Week, 2018.

5. The observance of the Vigilance Awareness Week would commence with the Integrity Pledge (copy enclosed at Annexure 'A') by public servants in the Ministries/Departments/Central Public Sector Enterprises (CPSEs)/Public Sector Banks (PSBs) and all other Organisations on 29th October, 2018 at 11.00 a.m.

6. All Organisations are also advised to conduct activities relevant to the theme both within and outside their respective organizations, and to conduct outreach activities for public/citizens as indicated below :

A. Activities to be conducted within the organization:

- A1. Taking of Integrity Pledge by all employees. Employees may be encouraged to take e-pledge by visiting the website. Those who take the pledge verbally may be advised to record it through the website.
- A2. Conduct workshops/sensitization programmes for employees and other stake holders on policies/procedures of the organization and on preventive vigilance measures.
- A3. Conduct various competition such as debates, quiz etc. for the employees and their families on issues relating to anti-corruption.
- A4. Use organizational website for dissemination of employees/customer oriented information and to make available avenues for redressal of grievances.
- A5. Bring out special issue of journals/newsletters on vigilance issues, systemic improvements and good practices adopted for wider dissemination and awareness.
- A6. Distribute pamphlets/handouts on preventive activities, whistle blower mechanism and other anti-corruption measures.
- A7. Promote the concept of e-Integrity Pledge by persons with whom the organization deals with.

B. Outreach activities for public/citizens:

- B1. Organizations may undertake activities such as walkathons/ marathons / cyclathons etc., and organise human chains, street plays, public functions etc. which have visibility and mass appeal across all strata of society.
- B2. Display of hoardings, banners, posters and distribution of handouts etc. at prominent locations/places in offices/ field units and also at places with public interface (eg. branches of Banks, Petrol Pumps, Railway Stations, Airports etc.).
- B3. Organize grievance redressal camps for citizens/customers by organisations having customer oriented services/ activities. Similarly, vendor meets may be organised wherever necessary. It is expected that such camps/meets are held by the organisation not only at headquarters but also at all appropriate field units.

B.4. Extensive use may be made of social media platforms . bulk SMS/E-mail, Whatsapp, electronic and print media etc. for spreading awareness.

B5. The Commission has actively promoted the concept of "Integrity Pledge". Two Integrity Pledges are available, one for enlisting support and commitment of the citizens and the other for corporate/entities/firms etc. (Annexure 'A' & 'B'). All Ministries/Departments/Organisations need to make renewed and concerted efforts towards disseminating and publicising the 'Integrity Pledge' amongst all employees, their families, vendors/ suppliers/ contractors/ stakeholders, students, citizens etc. so as to elicit wider participation for the initiative of the Commission. The online "Integrity Pledge" is available on the CVC's website <http://www.cvc.nic.in> and can also be accessed through the hyperlink provided by the Ministries/Departments/Organisations.

B6. Stressing creation of awareness of the ill-effects of corruption amongst school and college students, the Commission desires that special efforts may be made by each field unit/branch of every Organisation/CPSE to reach out to students in at least 2 schools and 3 colleges.

In this regard, various activities such as lectures, panel discussions, debates, quiz, essay writing, slogans/elocution/cartoon/poster competitions on moral values, ethics, good governance practices etc. may be organized so as to generate healthy debate on the ill effects and prevention of corruption and for ensuring active participation of students of schools/colleges/professional colleges. In order to ensure wide coverage of cities/towns across the country, it is proposed that the various organizations along with field units/branches may conduct outreach activities in schools and colleges in the cities/towns as indicated at Annexure 'C' and 'D'.

B7. Activities conducted in schools and colleges need to be sustained over a period of time to ensure that ethical values are ingrained permanently in the minds of the younger generation. All organizations may therefore, encourage establishment of 'Integrity Clubs' in schools and colleges as children are the future assets of the country and it is important to cultivate moral values in them.

B8. Organise "Awareness Gram Sabhas" for dissemination of awareness in Gram Panchayats (in rural and semi-urban areas) to sensitise citizens on the ill-effects of corruption. As past practice, Public Sector Banks need to conduct "Awareness Gram Sabhas" at branch level in at least two Gram Panchayats. Other organizations may also organise "Awareness Gram Sabhas" wherever possible. While organising Gram Sabhas and seminars the participation of non-government organisations, corporates in the private sector, other institutions, service organisations and participation of public in the area may be ensured.

In this regard, the CVOs of PSBs along with the CMD or his nominee may hold a meeting/ video conference with the Heads of their Circle and Regional Offices, Branch Managers, Vigilance Managers and Vigilance Officers to finalise action plans for conducting "Awareness Gram Sabhas" and to monitor the same. The Head of the Regional Office (or of the circle if there are no Regional Offices) may function as the Nodal Officer for successful implementation of this activity by the

branches under their jurisdiction. Indicative list of activities which can be conducted as part of "Awareness Gram Sabhas" is at Annexure 'E'.

- B9. While in the rural and semi-urban areas "Awareness Gram Sabhas" would suffice, in the urban areas, public can be engaged in discussion about corruption by organising "Seminars/Workshops". Hence, all Organizations are requested to hold at least one such seminar at their headquarters/regional offices.

Similarly, PSBs may also ensure that their branches located at block headquarters and district headquarters organize such seminars at each block and at each district headquarters. For this purpose the various bank branches at block and district level may like to coordinate their activities with each other.

- B10. Vigilance Study Circles may also participate actively in the VAW by conducting any or all of the outreach activities.

- 7. The Commission expects all organizations to conduct various activities with zeal and enthusiasm to achieve the Commission's objective to eliminate corruption in public life. Although all activities need to be conducted during the Vigilance Awareness Week, however, in case of exigencies/ school holidays etc., the same can be conducted before or after the Vigilance Awareness Week.
- 8. A report on the observance of the Week may be sent by all Ministries/ Departments/ Organisations to Central Vigilance Commission as per the format enclosed at Annexure 'F' by 30th November, 2018.
- 9. This notification is also available on the Commission's website at <http://www/cvc/nic.in>

CENTRAL VIGILANCE COMMISSION

DO No. 018/VGL/033/3848

25th June 2018

The Central Vigilance Commission as the apex integrity institution mandated to fight corruption and to ensure integrity in administration has been observing Vigilance Awareness Week (VAW) every year since 2000. Observance of VAW is an outreach measure where the Commission proactively reaches out all stakeholders whether Government employees or the public at large, who are encouraged to prevent and combat corruption. The Commission is of the considered view that corruption is a serious unethical practice that undermines trust and confidence in public officials and that public confidence can only be gained by promoting integrity in governance.

2. During the VAW every year several awareness programmes/activities are organized, viz. display of banners, posters etc., at prime locations; organizing seminars and awareness gram sabhas, inviting prominent persons to address participants, organizing competitive debates/lectures on anti-corruption topics among the employees of organizations and students in colleges and schools etc. Besides, NGOs, service associations and other institutions are also requested to participate in anti-corruption awareness campaigns

3. As you are aware, in the year 2016, the VAW was observed on the theme, "Public participation in promoting Integrity and Eradicating Corruption" and in 2017, on the theme "My Vision – Corruption Free India". The Commission had introduced the concept of Integrity e-Pledge – one for citizens and other for corporate, institutions, etc. in 2016, which received a good response and over 47 lakh citizens and 65,000 organizations have voluntarily taken the e-Pledge, committing to uphold highest standard of honesty and integrity affirming to eradicate corruption. In addition, the Public Sector Banks were advised to organize Awareness Gram Sabhas" in rural and semi-rural areas and seminars and public functions in semi-urban areas, wherein over 67,000 awareness programs were held.
