Sub : Consideration of applications – offline of the existing institutions seeking shifting/relocation of premises – reg.

Dear Sir/Madam,

I am directed to inform you that the matter regarding shifting / relocation of the premises was examined in the NCTE and it was decided that till the NCTE signs a contract with a new agency for online applications and other technical support, the applications from the institutions willing to seek permission for shifting / relocation of their premises will be considered offline.

Therefore, you are advised to consider all such applications as will be submitted by existing institutions for this purpose and process them as per Regulations, 2014. You are also advised to upload the notice in this regard on your website for the purpose so that the institutions may make applications offline in the format enclosed and database of all such offline applications be maintained so that as and when we operationalize e-governance, the same could be utilized as a base data for further taking them up into e-governance system.

Yours faithfully,

(Dr. S.K. Chaudhan) 19/03/15
